Thursday Parent and Student Orientation	June 6	June 13	July 11	July 18
Friday Advising and Registration	June 7	June 14	July 12	July 19

Create Advising Plans for Your Incoming Students

Advising plans can be created at my.udmercy.edu: Faculty Self-Service: Advisor Management. Search for your advisee. Go to "Registration and Planning" on their student profile. Click on "Plan Ahead". The Registrar's Office will remove all advising holds on each Friday morning of SOAR. **New freshmen cannot register prior to this or they will be withdrawn.**

Advising New Students (freshmen/transfers)?

Make sure they register for the appropriate MTH and ENL courses if needed. Delayed degree dates are occurring when students put these off due to prerequisites. Note: Restrictions exist on retaking ALEKS-Math after the first week of class/registration. For questions regarding advising, please contact the Student Success Center at ssc@udmercy.edu or 313-993-1143.

Placement Testing

If available, students will be placed into classes by ACT/SAT scores. Students who do not have ACT/SAT scores and/or do not have AP/IB/Dual enrollment credits in the relevant subjects, must take placement test(s). If students need to take a placement test, they may do so by logging into the "Placement Testing 2024-2025" course shell listed on Blackboard. Please visit the [Class Placement webpage](#) for more information, including links for students to sign up for information sessions on placement testing. Test scores and placements can be viewed in the Student's Profile under "Prior Education and Testing." For questions regarding placements, please contact the Student Success Center at ssc@udmercy.edu or 313-993-1143.

Advanced Placement (AP) & International Baccalaureate (IB)

AP scores taken in 2023 (and earlier) which have arrived to us have been processed. AP scores from 2024 will arrive in July and credits will be posted ASAP. If not already requested, please have your advisee request that College Board mail an official AP Score Report to Detroit Mercy (code 1835). IB transcripts arrive in July and will be processed ASAP. Students may contact IB at ibo.org to have an official IB transcript released to Detroit Mercy. Email Mary Beth Langan at langanmb@udmercy.edu with AP/IB questions.

Dual-Enrollment and Transfer Credit

The Transfer Team will post dual-enrollment credits upon receipt of an official transcript to our team. If the credit has not yet been posted, contact the Transfer Team (x1940) or have the student request an official transcript be sent to: transferteam@udmercy.edu or Detroit Mercy Office of the Registrar, 4001 West McNichols Rd., Detroit, MI 48221-3038.
